Little Rice Fire Department

Scott Pockat, Chief

715-892-1398

Dear Valued Little Rice Resident,

I want to introduce myself. I am the Little Rice Fire Chief, Scott Pockat. Also, I am the Public Works Director for the Town of Little Rice. My family and I, have come to enjoy and love the community, and we look forward to serving many years to this community.

The Little Rice Fire Department is consisted of volunteers that reside in the Little Rice, Nokomis, Cassian and Hazelhurst communities. The department strives to serve the community with fire protection and EMS support. But an issue has arisen and we need your help. The Fire Department is changing. Members are retiring. New state standards are limiting current volunteers to limited tasks.

As a department, we want to continue to maintain the highest standard and prompt response times. That being said, we are in NEED of new volunteers. We would like NEW volunteers to learn from the experienced members. This knowledge sharing is vital to having a successful department. We have many areas that are in need of volunteers:

- Fire Fighter
- Ground Support
- Emergency Medical Services
- Office Assistant
- Driver Operator

If you want to volunteer, and do not see your interest listed above, reach out, we can find a fit for you. The Little Rice Fire Department would like to also extend an open invitation to YOU. Stop and visit during our monthly meetings, ask questions, meet members or just tour the station. You might see something that sparks an interest. Fire Department meetings are held the first Monday's of every month at 6:00 pm.

I want to say thank you for your generous support over the many years and for your time.

Sincerely,

Scott Pockat
Little Rice Fire Chief
